

Literacy:

- We will practise our reading and phonic skills daily.
- We will develop our writing, making sure we form our letters correctly sitting them on a line.
- We will create our own rhyming strings linked to our class story-The Little Red Hen.
- We will create our own storyboards to retell the story of The Little Red Hen using actions to help us.
- Make a list of ingredients to make bread and follow instructions when making bread.
- To work on building simple sentences remembering a capital letter and full stop.
- Read a selection of poems and recite a favourite one.

Geography:

- Create a map or route that the Little Red Hen may have taken.
- Use positional language to describe how she travels. (Maths link)

Music:

- We will sing harvest songs with poems and rhymes. We will use percussion instruments to accompany our singing.
- Sing number rhymes and songs.

Maths:

- I can count reliably up to 10/20 objects and recognise when rearranged the number of objects stays the same.
- I can read and write numbers to 10/20 including words.
- I can compare and order numbers to 10/20.
- I can find the number that is one or one less up 10/20.
- I can represent and use number bonds within 10/20.
- I can represent subtraction facts within 10/20.

Year 1 – Autumn Term 1 2017 Amazing Animals!

PE:

- We will continue to master basic movements in gymnastics—balancing, agility and co-ordination and apply these to simple sequences.

Dates for Diary:

Outing to Washington Wetlands-details to follow.

Science:

- Identify name, describe and talk about a variety of common animals including fish, amphibians, reptiles, birds and mammals.
- Seasonal changes in Autumn. Observe the changes in trees.(Link to Art)

ICT

- We will use the iPads for research in our topic lessons.
- We will learn about how we can stay safe online.
- We will use 2Simple software to create a graph of favourite animals.
- Use the Bee Bots to create a map for the Little Red Hen.

Art and Design Technology:

- We plan to make bread and find out the journey to make flour.
- Use sketch pencils to create step by step a drawing of a hen.
- Observational drawings of wheat and seasonal changes.

PSHE-Beginning and Belonging

RE-Harvest

Please note: Your child will be expected to complete one activity of their choice per week on their homework sheet (see overleaf).

- Weekly spellings are given out on Monday to prepare for the test on Friday, along with Maths homework. Please look at these with your child.
- Reading books are changed throughout the week so please ensure your child brings their reading folder in school every day. We invite all parents to read with their child at home and to record comments in their reading record. We would appreciate any clean empty boxes, yoghurt pots etc for modelling.
- PE is on **Wednesday** so please ensure all children have their PE kit.
