

Literacy:

- We will continue to practise our reading and phonics skills daily.
- We will be reading 'Flat Stanley' by Jeff Brown.
- We will be developing our SPaG (Spelling, Punctuation and Grammar) knowledge.

Maths:

We will be applying what we have learnt throughout the year to help us solve lots of maths problems.

We will be using our knowledge of

- Place value
- Addition, subtraction, multiplication and division
- Shapes
- Fractions
- Measure

Science:

- We will be working scientifically to investigate lots of material problems.
- We will be performing simple tests and using our observational skills to help us gather and record our findings.
- We will be developing our scientific vocabulary.
- We will be identifying and comparing the suitability of materials.
- We will be finding out how the shapes of solids objects change by squashing, bending, twisting, stretching.

Computing:

- We will continue to research how to stay safe online.
- We will use JIT to write and program simple codes and programme some digital devices.
- We will use technology to create, organise, store and manipulate and retrieve digital content.

Year 2 – Summer 2 2017 Messy Materials

Please note: Thank you for all your contributions to last terms homework challenges. They were amazing!

SMADD Week!

This half term we will be taking part in a whole school SMADD week. We will be developing our skills and knowledge across a range of areas.

Sport

Music

Art

Drama

Dance

Art and Design Technology:

- We will be exploring the work of a famous artist (Antony Gormley) and making links to our own work.
- We will be using materials creatively to develop and make products.
- We will be using sculpture to develop and share ideas, experiences and imaginations.

PE: Games

- We will be developing and applying our throwing and catching skills outside.
- We will continue to work as a team and developing simple game tactics.
