

Literacy:

We will continue to practise our reading and phonics skills daily.
We will work on forming all lower and upper case letters correctly.
We will also look at fiction texts such as Jack and the Beanstalk, Jim and the beanstalk and do some instructional writing linked to Science.
We will read a selection of poems and recite a favourite one.
We will work on writing simple sentences, remembering capital letters, finger spaces, full stops, question marks and exclamation marks. To improve our sentences we will use connectives such as and, but, because, so and include adjectives to add detail to our writing.

Geography:

Explain how the weather changes throughout the year and name the seasons.
I can explain where I live and tell someone my address.
Name, locate and identify the four countries and capital cities of the United Kingdom and its surrounding seas.

PSHE/RE: Safer Lifestyles

I can name a risky situation and suggest ways of reducing risks.
I can name some emotions people might feel in a risky situation.
I can say my full name and address and know when this might be useful.
I can suggest someone who might help me in a risky situation.

Science:

I can ask simple scientific questions.
I can identify and classify things.
I can use simple data to answer questions.

I can name a variety of common wild and garden plants and trees.
I can name the petals, stem, leaf and root of a plant.
I can name the roots, trunk, branches and leaves of a tree.
I can observe changes across the four seasons.

Year 1 – Spring term 2 2018

Art/DT:

I can use a range of materials creatively.
I can use IT to create a picture.

I can select and use a range of equipment to perform practical tasks – cutting, joining.

P.E.

Develop our balance, agility and co-ordination.
Practise skills in running, jumping, throwing and catching.
Take part in a team game.

Maths:

- Know the value of 1, 2, 5 and 10p coins.
- Use 1p and 2p coins to make totals to 10p.
- Count forwards and backwards in ones, twos, fives and tens
- Represent and use number bonds and related subtraction facts within 10/20. Add and subtract one-digit and two digit numbers to 20, including zero. Solve one step problems that involve addition and subtraction, using concrete objects and pictorial representations, and missing number problems.

ICT:

I can keep personal information private.
I can use technology safely.
I can create and debug simple programmes.
I can create digital content.
I can store digital content.
I can retrieve digital content.

- Weekly spellings are given out on Monday to prepare for the test on Friday. Maths homework is also given out on a Monday.
- Please ensure your child brings their reading folder in school every day.
- PE is on **Wednesday** so please ensure all children have their PE kit.
