

Year 4 Homework Project

Welcome to your child's exciting new homework topic! Over the next 5 weeks, please work with your child to complete as many of the creative challenges below as you can. As you can see each piece of homework will be rewarded with a number of smilies. You can choose to create 1 piece of homework per week or they can create a collection to hand in by Thursday 29th March and bring all of their homework in altogether.

As we did last term, we will be sending out literacy and maths homework to help children learn to work to a deadline and help prepare them for more difficult lessons.
