

Year 4 Homework Project

Welcome to your child's exciting new homework topic! Over the next 5 weeks, please work with your child to complete as many of the creative challenges below as you can. This is in addition to their My Maths and literacy tasks which will continue to be set on a Wednesday. As you can see each piece of homework will be rewarded with a number of smilies. You can choose to create 1 piece of homework per week or they can create a collection to hand in by Thursday 8th February and bring all of their homework in altogether.

Use this as your checklist to help you to remember which pieces of homework you have completed and which ones you still need to complete!
