

Literacy

Our text this half-term is **Beowulf by Michael Morpurgo**. In our reading and writing we will be:

- Discuss and explore the meaning of new words in context
- Draw inferences and justify them with evidence
- Summarise the main idea drawn from more than one paragraph
- Select appropriate grammar and vocabulary in our writing

Science

In our Earth and Space topic we will:

- Describe the movement of the Earth and other planets, relative to the sun
- Recognise the Earth and moon as spherical
- Use the idea of the Earth's rotation to explain night and day
- Identify scientific evidence that has been used to support or refute ideas

History

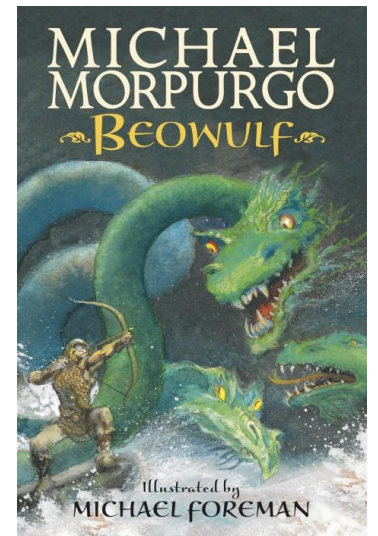

During our 'Smashing Saxons' topic we will:

- Know two famous Anglo Saxons
- Know where the Anglo Saxons came from
- Identify how the Anglo Saxons have influenced our lives today.

Year 5 – Summer Term 1 2019

Smashing Saxons!

This half-term we will be learning all about the Anglo-Saxons - discovering who they were, what life was like for them and how they have influenced our lives today.

Geography

We are going to name and locate the counties where the Anglo-Saxons settled and plot their journey to Britain on a map.

Art

We will improve our drawing techniques and plan and design a piece of art that meets a given criteria.

Computing

We will use search engines effectively to carry out research and create websites about last half term's Edinburgh trip.

Homework

Times tables , SPAG and spellings will be set weekly. Please read with your child as often as possible.

Choose 4 tasks from the homework challenge sheet to be completed by **Friday 24th May**

Maths

Fractions

- Recognise mixed numbers and improper fractions and convert them
- Compare and order fractions
- Identify, name and write equivalent fractions
- Add, subtract and multiply with fractions
