2022/23

Sports premium funding received for period: £19, 770		
Breakdown on actual spending and what was provided	Impact seen on pupils' PE and sport participation and attainment	How improvements will be sustainable in the future
<p>£11,200 - Payment into School Sports Partnership to provide:</p> <p>Access to a dedicated specialist PE teacher on a weekly basis. These teachers have a family of schools they work with, so a relationship is built up between the school, staff and pupils allowing for teaching that is more effective.</p> <p>Access to a competition/festival programme of 20 events for pupils in KS1&2 including dance & gymnastics. This is published at the end of the summer term so schools can plan well in advance. (Note competitions ceased during lockdown and at other times were virtual competitions operating at school level)</p> <p>Working in partnership with other local schools has allowed for the best use of funding as equipment can be shared and facility hire/transport costs have been negotiated a much lower rate. Demonstrates best use of funding.</p>	<p>Specialist teaching has helped further embed high-level teaching and delivery across school. Specialist teachers have provided CPD that has helped to address areas for improvement for staff e.g. dance (CPD completed on May 10th 2023). Specialist teaching helped to develop subject knowledge with the opportunity to show/implement good practice through team teaching that led to improved outcomes for children at the end of a taught unit of work. Increased demand for sports such as basketball and tag rugby to be offered as clubs in 2023/24.</p> <p>Taking part in different festivals/competitions across the 2022/23 academic year enabled children to experience new opportunities that are not easily accessible outside of school. Festivals had a high emphasis on inclusion and participation to support children in</p>	<p>Provision by School Sports Partnership continues 2023 / 24. With the 'bubble' system ceasing specialist teaching will be used across school to ensure more children access high quality provision and staff benefit from CPD.</p> <p>Member of staff allocated to school remains consistent and therefore knowledge gained via assessment for learning is built upon year in year ensuring the curriculum intent and implementation is progressive to impact on standards across school.</p> <p>Cycle of CPD will continue as required ensuring on going</p>

<p>Access to an extra-curricular programme of 20 weeks delivery provide by the local sports development unit at a specially negotiated rate. All coaches are 'quality assured' and have appropriate qualifications and clearances. They are all line managed by one person and feedback data is requested at the end of each delivery block</p> <p>Weekly extra-curricular club run by School Sport Programme PE Teacher</p> <p>Access to local CPD opportunities</p> <p>A single conduit for all external agencies to work through to gain access to schools e.g. FA Soccer Skills programme and Judo programme</p>	<p>understanding ways to contribute to their own active 60 minutes each day.</p> <p>Competition elements aided the progression for children from the perspective of developing talents and opening new opportunities to long term, sustained participation.</p> <p>Sharing equipment with other schools within the SSP has enabled for the highest quality of PE delivery whilst mitigating additional costs so that sports premium money can be used effectively.</p> <p>Extra curricular clubs provided by the SSP allowed for additional opportunities to be provided for children e.g. specialist gymnastics coaching</p> <p><u>Competitions (All virtual)/Festivals</u></p> <ol style="list-style-type: none"> 1. £5,049 + £150 (training for sports leaders) Specialist TA support allocated to active lunch times, after school clubs and PE session support	Utilising the high level coaching qualifications of the specialist sports TA enabled Horton Grange to further enhance its extra-curricular provision and offer a wider range of high quality clubs. This also developed the quality of the lunchtime provision where bespoke and tailored sessions could be offered to children from specifically targeted groups (e.g. pupil premium or SEND) to further improve participation. The ability to team teach lessons with other members of staff has allowed for a higher quality of PE delivery.	Funding to continue next year.
2 x ½ day release for PE lead £150	Subject leader has clear view of strengths and areas for improvement through deep dives. Ofsted quality assurance of curriculum provision.	Continue to fund next year.
Replenish equipment following audit £2221	Staff have access to the resources to implement a high quality curriculum.	Re-audit next year

<p>Playground equipment to promote active play through OPAL £250 initial input + £180 to replenish</p>	<p>OPAL programme has completed first year. Increased percentage of children are observed to be active at lunchtimes and play times.</p>	<p>OPAL team will implement Year 2 of plan during 23/24</p>
<p>Active Week £750 To hold an 'active week' during national school games week in summer 2 once again, building on feedback from previous year to increase participation in physical activity. Experience new sports and signpost to community clubs related to the experience. Encourage children to learn how to be physically and mentally well. To increase children understanding of careers in sports. To increase understanding of</p>	<p>All children were able to take part from nursery up to Year 6 in various roles from participant, scorekeeper and/or sports leader. Links were consolidated from prior years with Newcastle Eagles who delivered sessions to children. There are no basketball clubs in Blyth for under 11s or below. Rewards were given for competition and participation with an additional award being given for the best attitude to reinforce positive participation.</p> <p>Inclusion was emphasised through a disability and inclusion workshop delivered to each class in KS2 during active week to educate children on the importance of adapting games to enable more people to take part. Children have since adapted games at break and lunch time to be more inclusive.</p> <p>Pathways into different careers were a focus of teaching during active week that helped show children how various routes into sport can be obtained. Links to local clubs and jobs were highlighted.</p>	<p>Active week will re-run in full capacity next academic year.</p> <p>Links to these clubs to be explored to provide after school clubs following taster sessions.</p>
