

Year 6 Netball Tournament

Team No.9 from Horton Grange Primary School, played five games at the local netball tournament. One loss to Morpeth Road was agonizing defeat (especially since it was our first game!) Morpeth automatically took the lead with an amazing goal and team.

Next, we played Meadowdale 2; Horton owned the court and smashed three goals into the net, scored by Natasha Hartley and Victoria Armstrong.

The next team easily matched Horton's ability. (We had our hands full!) 1-0 saw Stead Lane take the lead but Horton soon caught up when goal shooter Scarlett Common scored an easy goal. The game ended in a tie.

After a break of three games, we were raring and ready to take on New Delevel 1. Once again Horton took the lead with 2 brilliant goals from goal attack Victoria Armstrong.

After four games played you would think we would have been tired but no! Horton tore up the court for a last time with a miraculous game ending in 5-0 to TEAM HORTON! All goals scored by are star shooter Scarlett Common.

Some amazing skill, effort and talent were seen out on the court. A really big well done to our great team (Katie Hedley, Katie Bainbridge, Lucy Findley, Eleanor Watson, Ellie Tait, Natasha Hartley, Victoria Armstrong and Scarlett Common) and to everyone who took part! Also a big congrats to Meadowdale 2 who didn't lose a game all day! Obviously they won!
