

Sport Premium 2013/14

The government is providing additional funding of £150 million per annum for academic years 2013 to 2014 and 2014 to 2015 to improve provision of physical education (PE) and sport in primary schools. Through the previous success of the School Sports Partnership Programme and a commitment to ensure continued high standards of delivery in PE and School Sport, there is a desire to continue to provide a co-ordinated level of support to enhance the delivery of PE and School Sport.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. Ofsted have strengthened its coverage of sport within the Inspectors' handbook. They will consider ' How well the school uses its Sports Premium to improve the quality and breadth of its PE and sporting provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach performances levels they are capable.

How much do we get?

Each school receives £8000 plus £5 per pupil in years 1-6. For Horton Grange Primary School this equates to £9400 for 2013 – 2014. We will receive a similar amount for academic year 2014 – 2015 although this may fluctuate slightly due to numbers on roll.

How is this money spent?

Horton Grange has committed £10,000 per year until 2015 to the Blyth & Bedlington School & Community Sports Programme. Key benefits are:

- Services of SSP teacher to help deliver PE in school.
- Regular network meeting to disseminate good practice.
- Access to local festival and competitions.
- Transport costs / arrangements for attending festivals.
- Access to $\frac{3}{4}$ week block OSHL clubs.
- Access to delivered CPD opportunities.
- Access to locally organised provision for Gifted and Talented pupils
- Access to leaders in secondary school to support with Primary PE events.

- Advice and support on health and safety in PE

In addition to the £10,000 paid into SSP fund the school also demonstrates further commitment to improve the quality of PE and School sport with additional funding as required.

Evidence from SE (where relevant)	Key objective and expected impact	Action / outcome	Cost
Whole staff gymnastic training took place summer 2013 (3 x twilight).	To improve the quality of gymnastics delivery in KS2 to impact on standards. Children reach required standard to enter Gymnastic festival.	Autumn Specialist PE teacher deployed through partnership programme to deliver 1 term of gymnastics to Y4 children. Y4 children to enter gymnastics festival. After school gym club (Y1,2 and 3) ran by specialist coach. Rotation of staff to observe.	½ day delivery per week. Included in SLA with partnership. (SSP) Approx £1200.
Delivery of PE / sport is variable.	To improve the delivery of PE and school sport at all levels. Standards improve.	Autumn Specialist football coach to deliver ½ term unit of work to Y3 children. Member of identified to observe organisation and AFL. Short term impact observed. Autumn 2 and Spring 1	Part of SSP. £350

Evaluation / impact statement July 14

- Improved staff concept in the planning, delivery and assessment of Gymnastics.
- Specialist teaching of Gymnastics improved standard and for the first time chn compete in Gymnastics festival.
- Children in years 1,2 and 3 assess after school Gym club.
- HLTA upskilled in supporting football at lunch time following CPD.
- Range of clubs on offer and uptake increased e.g. netball, rugby, football, gym, keep fit, multi skills, tennis. All clubs lead to participation in cross school festivals.
- Quality of PE planning improved due to online resource. Also supports staff subject knowledge.
- Alternative swimming provision results in increased children swimming 25m.
