

Year 4 Homework Project

Welcome to your child's exciting new homework topic! Over the next 6 weeks, please work with your child to complete as many of the creative challenges below as you can. As you can see each piece of homework will be rewarded with a number of smilies. You can choose to create 1 piece of homework per week or they can create a collection to hand in by Thursday 19th July and bring all of their homework in altogether.

In addition this half term we will be sending out MyMaths homework to help children learn to work to a deadline and help prepare them for more difficult lessons.

<p>1. Design a brand new species of sea animal that could be found in the Great Barrier Reef. What does it look like? What does it eat? How does it avoid predators? Can you draw it? Can you make a 3d model of it?</p> <p>5 x </p>	<p>2. Make a tourist leaflet for people visiting Australia's Great Barrier Reef.</p> <p>3 x </p>	<p>3. Write a poem about creatures living in the blue abyss. It might be acrostic, shape, haiku or even a free verse poem.</p> <p>3 x </p>
<p>Maths: Each week this will focus on a basic number skill we need to practice or as a basis for learning to come. Please complete and return by the deadline.</p> 	<p>Literacy: This will include spellings for the half term and a weekly task on a SPAG related skill.</p> 	<p> Bookworm challenge: How many books or texts can you read about the world's seas and oceans? This could be about sea animals, plants or the Great Barrier Reef. Remember you can use the school library.</p> <p>2 x  for every book or text in your reading record.</p>
