

# I am Warrior homework!

The new topic is here and we have some fantastic homework challenges for you all to complete. Over the next 6 weeks, please work with your child to complete as many of these creative challenges as you can. You can choose if you would like to complete a challenge per week or create a homework collection to hand in by Wednesday 19th December. You can use this as your checklist to remember which challenges you have completed.

## Colosseum

What is the Colosseum? How are you going to share what you have found? A model, a drawing, a story, a poem, an information leaflet?

## Catapults

The Roman army used a lot of catapults in their battles. Make your own mini catapult. What will you need? How will it work? Create instructions so that your friends can make one too.

## Roman Numerals

Research the Roman numerals that represent the numbers 1-12 and use them to create your own Roman numeral clock.

## Soldiers

The Roman army needs you! Design a poster to encourage people to become a Roman soldier and help invade Britain.

## Quiz Time

Create a quiz about the Romans to test the knowledge of your friends. What interesting facts can you challenge them with? Make sure you have an answer sheet to go with it.

## Bookworm challenge

How many brilliant books can you read?

Share them with the class and help build our reading display!

## Leaflet

Design an information leaflet to teach younger children about the Romans. What do you think they would like to know? How are you going to make it interesting?

Don't forget to try these at home...

- TT Rockstars
- Spelling Shed
- Prodigy
- Lexia
