

Literacy 8 smilies

Choose a lake (Buttermere, Kentmere, Windermere, Thirlwell, Grasmere) and research the area around it then write a report about your findings.

Choose a hill/mountain (Skiddaw, Blencathra, Catbells, Scafell) and research the area around it then write a report about your findings.

Double smilies for perfect presentation!

Ict 8 smilies

Use the internet to research an animal which lives in the Lake District. You could choose:

- Red Squirrel
- Otter
- Herdwick Sheep
- Buzzard or Kestrel

Year 6 - Autumn 1

The Lake District

Homework Projects

These are optional in Year 6 and you may choose to do one, a few or even all of them if you really enjoy the subject.

Science 8 smilies

Find out about animals and plants which grow in the Lake District.

How could you sort these animals or plants into groups and explain how or why they fit into certain groups.

Maths 8 smilies

Find out the height of different hills in the Lake District and plot them on a graph. Could you create a pictorial diagram to represent this?

PE 10 smilies

Think of activities to keep you fit that you could carry out in an area such as the Lake District.

Which one would you prefer and why?
What equipment would you need?

Present your information as a mind map.

Art & Design

8 smilies

Look at trees around you - in the streets or on the school grounds. Create a drawing of either the whole tree, a section of it or even just a leaf.

Gather fallen Autumn leaves and create a collage.

History 8 smilies

How has the Lake District changed over time? Why has it changed?

Investigate the life of Beatrix Potter and explain why she is important in the history of the Lake District.
