Collection Guidelines

In order to keep your child safe, we have clear collection guidelines set out below which must be followed:

- Children must be collected by a named, responsible adult - promptly.
- We recognise in some cases older siblings, under the age of 16, may have your permission to collect your child. When this is the case they must: be on the collection list; demonstrate the Horton Values; not come in large groups; be able to keep your child safe in the community; not be excluded from their own education provision.
- Supervise your child and ensure they do not ride bikes and scooters on the school grounds.
- Use the paths and crossing provided in a way that is respectful to others.
- Smoking / vaping and swearing is not permitted while collecting children.
- Should there be changes to the named adult collecting ring the school office with a password before 2.30pm if possible.
- Children will be allowed to walk home alone from the last term of Year 4. Parents must complete the walking home alone form. By doing this parents take responsibility for the safety and behavior of children on their journey home.
- Be patient on dismissal. Procedures are in place to keep your children safe.
